BULGARIAN-JORDAN CHAMBER FOR ECONOMIC COOPERATION

The Bulgarian-Jordanian Chamber of Economic Cooperation **contributes significantly to the development of the Bulgarian-Jordanian relations. During the recent years it has worked hard in order to enhance the partnership in all areas between the Republic of Bulgaria and the Kingdom of Jordan, which corresponds to the interests of both countries.**

The Bulgarian-Jordanian Chamber of Economic Cooperation is a non-government organization, working in close cooperation with the state institutions, organizations and agencies.

Its key objective is to direct its efforts towards the development of trade-economic, scientific-technological and cultural relations between the Republic of Bulgaria and the Hashemite Kingdom of Jordan.

The Bulgarian-Jordanian Chamber of Economic Cooperation has signed a lot of Agreements on Cooperation with partners from both countries, among which the Bulgarian Chamber of Commerce and Industry, the Agency on Promotion of Trade, Foreign Investment Agency, the Amman Industrial Chamber, JEDCO and others, approved by both parties as a part of their joint efforts to improve the efficiency of measures for fostering the business contacts between Bulgaria and Jordan.

A number of visits, meetings and events have been initiated and organized by the Bulgarian-Jordanian Chamber, among which: the traditional participation of Bulgarian businesses, displaying with their products at the International Specialized Exhibition Sofex Jordan, a number of business delegations and forums, exchange visits of journalists, writers and other cultural figures, as well as several sports events.
